How did you hear about us?

1. Reservation / Security Deposit A \$250 damage/security deposit is required for each camping trailer rental and is due seven days prior to the day of the Rental period start date. A \$150 reservation fee is required to secure the requested dates. You can receive \$75 of the \$150 back if you cancel up to 1 month before the reservation date. If you cancel your reservation within one month of your reservation, you will forfeit the full \$150. Your reservation fee can be applied to your rental fee. The security deposit covers the cost in the event that there are missing or damaged items inside or damages to the outside of the trailer during the stay. If necessary, additional costs associated with the missing or damaged items inside or outside the rental unit may be charged to the payment method we have on file. The damage deposit will be returned within 7 business days after the return of the camper.

2. Campground Reservations We are not responsible for campground reservations. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from and in addition to rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

6. Delivery / Set up / Pick up We offer delivery and will set up the trailer at the campground location on the rental period start date and we will pick up the trailer upon completion of your rental period. At the time of delivery, one of our staff will provide you with an orientation to show you the safe and proper use of the trailer and its features. The orientation may take up to one hour. Please allow sufficient time for this. A pick up time will be scheduled at the time delivery is made. Renter is responsible to provide their own sheets, pillows, and bedding. The camper must be picked up on the date and time specified in the agreement.
